MUSIQUE de BORD

Au travers de mes voyages précédents, j'avais remarqué que l'absence de musique pouvait être un préjudice moral grave dans certaines circonstances. Aussi, je savais parfaitement que ma traversée allait être difficile, et j'avais donc décidé d'embarquer un balladeur et quelques cassettes.

N'ayant pas de goûts musicaux particuliers, mais plutôt un dégoût prononcé des musiques "commerciales" ou trop modernes, j'ai effectué une sélection assez draconienne avec le sentiment qu'une musique embarquée qui ne me plaisait constituait du poids inutile.

Voici cette sélection (Artiste, album et morceaux) :
